

STARTED FOR HARTFORD BUT HAS NOT ARRIVED

Police Making Search for
Mrs. Estelle Taylor.

FEAR THAT SHE IS DEMENTED

Left City With Little Daughter Nearly
Two Weeks Ago and Not Heard
From Since.

Mrs. Estelle Taylor, who left this city on November 6 for Hartford, Conn., has not arrived in that city, and search is being made for her in the cities along the way. She started to Hartford for a visit to relatives, and was accompanied by her four-year-old daughter. Descriptions of her have been sent out by the Police Department.

Mrs. Taylor is twenty-two years old. She has wandered away from home before, and it is thought she is temporarily demented. She was kicked by a horse a few years ago and has since been subject to periods of aberration. Her home is at 309 Ninth Street southeast, and her mother resides at 477 Maryland Avenue southeast.

CONGREGATIONAL CHURCH NO LONGER TO BE RENTED

Offered to Choral Society and Others
Free Until They Can Make Other
Arrangements.

As a result of the agitation relative to the renting of the First Congregational Church for entertainments, lectures, etc., the Choral Society, Geographical Society, and a branch of the Y. M. C. A. are without a place of meeting. The decision of the District Commissioners that the church property must be listed for taxation unless the practice of renting the church building is stopped, caused the trustees to serve notice on these organizations to look elsewhere for meeting places.

With a view of avoiding the appearance of a breach of contract the church authorities have offered the use of the church free for a time while the societies in question are locating themselves elsewhere.

The change brought about in the management of affairs at the First Congregational Church is regarded as a victory for those who maintain that church property should be taxed at the same rate as other property.

THIEVES PARTIAL TO CHINESE LAUNDRIES

Ten Places Robbed in the
Past Few Days

Chinese laundrymen are excited over the attentions recently to laundries by thieves. In the past few days ten laundries have been entered, and the aggregate robberies have amounted to perhaps \$400. Entrance has been made in most cases by means of duplicate keys.

Quong Ling, 306 Seventh Street northwest, found yesterday that his cash drawer had been rifled. There was no money in the drawer, but the thieves took a razor and some clothing.

Joe Wing, 626 G Street northwest, lost \$40 in a raid the robbers made in his laundry Saturday night.

Moy Sou, 312 Third Street northwest, reports the loss of \$12 and some Chinese coins from his place. A duplicate key was used.

Lee Chung, 321 Seventh Street northwest, suffered the loss of \$3 from robbery Saturday night.

MR. WAGNER'S REWARD FOR FAITHFUL FRIEND

Will Provides for "Person Who Attends Most Freely in
My Last Illness."

The will of John Wagner, of 3223 P Street northwest, who died several months ago, bearing date of March 17, 1899, has been filed for probate. Mr. Wagner's signature was witnessed by William P. Hanlon, Anthony Hanlon and Gottlieb Hurlhaus. Barbara M. Baier, a niece of the deceased wife of the testator, is named as executrix. After making provisions for the payment of his debts, the testator directs that a monument costing \$500 be erected in memory of himself and wife.

J. J. Waters is named as trustee for the proper distribution of the following bequests:

Lot 35, square 1220, being property on Prospect Avenue between Thirty-third and Thirty-fourth Streets, to be devised in fee simple "to the person who waits and attends freely on me most in my last illness, whether such sickness be long or short; and such person shall be ascertained and designated by said trustee, who shall not be answerable in so doing for any errors of judgment or mistakes of facts honestly made."

The house and lot in which the testator

resided is left to Barbara M. Baier, and also the houses adjoining, being known at 3223 and 3225 P Street northwest. This devise is subject to a charge of \$500 to be paid to John A. Newhouse or his wife, which if unpaid is to become a lien on the property, drawing 6 per cent interest.

Seven pieces of property with improvements are left to the trustee, being located on R, P, Jefferson and Thirty-third Streets northwest, to be sold at public auction or private sale. The proceeds from the R and P Street property is to be remitted to a son of a half-sister of the testator, John Reitzell, of 5 Wolfersham, Kreis, Gollhausen, Kurhessen, Germany. The proceeds from the other five houses are to be disposed as follows:

Four hundred dollars to John Wirth, of Germany; \$400 each to Frederick and Karl Heilmann, of the same place; \$300 to Babette Soloss, of New Orleans, La.; \$400 to John A. Newhouse, and \$200 to the German Orphan Asylum.

The remainder of the estate, including the household furniture, etc., is left to the testatrix.

LABOR INTERESTED IN SUFFRAGE FOR DISTRICT

Much interest was expressed in this city today in the announcement from New Orleans that an effort would be made by W. E. Kennedy, general organizer of the International Brotherhood of Electrical Workers, to have the American Federation of Labor, now in session in that city, declare in favor of suffrage for the District of Columbia. As such action on the part of the Federation would be opposed to their avowed policy of refraining from interference in matters that do not directly concern the welfare of the organization, it is generally believed that the Federation will refuse to take any action in the premises.

In labor circles, today, it was stated that Mr. Kennedy is prepared to push his resolution; that he is assured of considerable support, and that his resolution will be defeated only after a fight.

FIRE IN RESIDENCE.

Fire in the home of James Scott, 310 Thirtieth Street northwest, yesterday afternoon, resulted in damage to the building and furniture of about \$150. The cause of the fire is unknown.

Stepped Against a Hot Stove.

A child of Mrs. George T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove, which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Kollar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by Henry Evans, Wholesale and Retail, and all druggists.

Another one of these extraordinary purchases of ours. One of the largest manufacturers of Waistings in the United States desired to close out his entire balance of the mill's output, and offered us first chance to purchase.
